Curator Program - \$500+

This very special program is designed for Learn to Read supporters who would like to make a donation in an area of specific interest. Suggested areas of enhancement for Learn to Read are computers, equipment and special events. Your name will be displayed on sponsored items or at events for the sponsorship year.

If this program interests you, please let us know how we can get in touch with you. We will then contact you to learn how you would like your donation applied.

We hope Friends will also consider, as part of their life plans, a Curator Program bequest as a memorial to their love of reading and learning.
